To Whom It May Concern:

This letter is a testimonial based upon Corporate Funding's many years of working with Jeff Gillesse of Level Ten Consulting Group, LLC.

We have worked with Jeff for many years as he had been engaged as a contract CFO, Turn Around Specialist, Appointed Receiver and Operational Manager and Facilitator with various West Michigan Companies.

We have found Jeff's abilities to prepare financial reports, work with secured and unsecured creditors, plan short and long term strategies and oversee operational activities and departments to be outstanding. We found him to be honest and forthcoming given both good and bad events.

If your company is considering using Jeff Gillesse, you will find him to be an integral part and benefit to your company and its specific needs.

We definitely would recommend him. If you would like to contact me, please feel free to call me at (616) 956-5911 ext. 12.

Sincerely,

Christopher J. Boike
