

**LEELANAU**  
EDUCATION GROUP

**September 29, 2015**

Leelanau Education Group (LEG) has been greatly served by the team at Level Ten Consulting. Level Ten Consulting has provided LEG with financial and management consulting services shortly after our founding. Jeff and Patty are models of professionalism and work diligently to help set strategy and execute an agreed upon plan for success. I look forward to many more years of our partnership.
